

THROUGH HEARS CAPT. DANCEY SUNDAY NIGHT

Message On Americanization Driven Home By Good Speech

By MINNIE V. BUCHANAN

I wish to write a few words of appreciation I shared with a congregation that nearly filled the Central Evangelical church Sunday evening to hear Capt. Dancey's lecture on Americanization. I wish every citizen of town could have heard it. However, Capt. Dancey will address the parents and pupils at the high school Saturday at 1:30 p. m., and the Chamber of Commerce annual dinner Monday, Jan. 7, at Legion hall. He had met crowded houses on each occasion. Capt. Dancey speaks with force and a clear knowledge of all the subjects touched upon, as he is a keen student, and, though still a young man, has traveled widely in European countries and every state and territory of America. He has first-hand knowledge of most situations. The World War brought out the fact that we have an immense population in different states who do not

know their schools, churches and press all in some foreign language, and they present a very difficult problem. Capt. Dancey made it plain that we must stop immigration altogether unless we have Americanized this foreign element now in our midst. So serious is this problem that Capt. Dancey is one of a number of men who are employed to go all over this broad land of ours and work in the interests of Americanization.

His words on Christianity, patriotism and discipline were very pointed, proving they should be taught and enforced first at home. Also if we would have peace we must league and co-operate with the other nations to prevent war.

How pathetic his story of the hospitals for our soldier boys and the lack of interest shown by those who daily passed their doors and never went in to cheer the stricken ones who lie there, now wondering if all their efforts were in vain. He strongly impressed the need of organized effort to control the bolshevism already strongly entrenched in our nation, even in our great universities. His address was keenly critical, but also strongly constructive. May we all take heed.

ENJOY BAND CONCERT

A splendid concert by the staff band of the Salvation Army was enjoyed by hundreds of Torrance residents in the park at Sartori and Marcelina streets Monday noon.

UNION TOOLS MEET PALMS NINE SUNDAY

Both Outfits Boast New Stars In Their Lineups

Next Sunday the Union Tool ball club will play the Palms-Culver City team on the Union Tool grounds. This promises to be one of the best games of the league, as both Palms and Union Tool have strengthened their teams. The Palms team has such stars as Pete Snider and Ping Bodie of Vernon Coast league; Dallas Locker, Nick De Maggio and Shaw of the Texas league; Charlie Gorman and Red Smith of the Western league, and Bill Barley, former St. Louis pitcher. With such a team as this Palms will cause any team plenty of trouble.

The Union Tool club has been strengthened by signing Washburn of the International league and Dixie Carroll of the Los Angeles Coast league team.

The Union Tool company has added 65 feet of new bleachers and two new dressing rooms to their park. There will be plenty of seats for everyone, so come out and boost for the home team. Remember the day and date—Sunday, Jan. 6, 1924.

Batteries: Palms—Bailey, pitcher; Stout, catcher. Union Tool—Preihs or Haycox, pitcher; Widener, catcher.

POLICE HERE GRAB NEILL'S STOLEN AUTO

Quick Work Lands Two Men In The City Lockup

Quick work on the part of the Torrance police department saved George Neill his sedan Monday night.

Mr. Neill parked his car on Marcelina street near the Parks plumbing shop. When he returned to the spot the car was gone.

Chief Anderson and Officers Stanley and Phillips saw two men in a Buick back into a parked car on Marcelina street. The men in the car that did the damage drove away. The officers gave chase and stopped the Buick at the corner of Carson and Arlington. The two men, who gave their names as Ray Woods and Earl LaTrace, were arrested. LaTrace was released.

An hour later Mr. Neill went to the police department to report the theft of his car. The machine in which the two men were apprehended was Mr. Neill's. The police notified San Pedro, where LaTrace was arrested at once. Woods and LaTrace are held for \$5000 bail under a charge of grand larceny.

C. W. Wells Weds Miss Marie Lande

Christmas bells were wedding bells for Clarence W. Wells of Torrance and Miss Marie S. Lande of Zumbrota, Minn., when they were united in marriage at the home of Mr. and Mrs. J. T. Wells, 1328 Amapola avenue, Torrance, on December 28, 1923. The home was prettily decorated with ferns, roses and carnations, the color scheme being pink and white.

The wedding was solemnized by Rev. James Walter Morris of the Methodist church, the ring ceremony being used, in the presence of relatives and a few close friends.

The bridesmaids was Miss Ena Weckerling of Lankershim, Calif., formerly of Minnesota, and a close friend of the bride.

The groom was attended by John Lucas of Los Angeles, a personal friend.

The bride was lovely in an imported blue satin gown, wearing a wreath of silver leaves in her dark hair, and carried a shower bouquet of bride's pink rosebuds and lilies of the valley.

The bridesmaid was charming in an accordion-pleated georgette gown, and carried an arm bouquet of American beauty rosebuds.

Following the ceremony a dainty two-course luncheon was served, the center of attraction being a large and beautifully decorated wedding cake, which was cut and served by the bride. The place cards were hand-painted hearts and orange blossoms.

Mr. Wells is the youngest son of Mr. and Mrs. J. T. Wells, and is superintendent of the Southwest Welding company of Los Angeles, with headquarters at Torrance.

The young couple left immediately for San Diego and Coronado Beach and other southern points, where they will enjoy a short honeymoon, and will be at home after January 15 at 900 Strand, Redondo Beach, Calif.
